I have an SOT Education Committee meeting from noon – two that day and I am running the discussion on the review of some of our travel scholarships. I can come to PY at the end of the day to meet up if you think you'll have time (and not rushing to head back to RTP). Looks like the meeting ends around 430. I can work with Leslie to schedule if that works for you?

Thanks! I need to figure out where my best fit is going to be, whether ORD or elsewhere.
